**Job Title: Environmental Outreach Coordinator**

Classification: Non-Exempt, .5 FTE

Salary \$23/hourly Start Date: Immediately

**Location: Snohomish County, Spokane County, TriCities,**

**ABOUT the PI Health Board of Washington**

*The Pacific Islander Health Board seeks to cultivate resilience within our communities to achieve health equity through culturally safe and community-driven solutions, traditions, advocacy, and policies. We value our traditional healing practices and hold advocacy, community, equity, social justice, and liberation to guide our Board.*

**Position Overview**

Join our team as an Environmental Outreach Coordinator and play a pivotal role in promoting environmental stewardship and awareness within our community. We are seeking a passionate individual who is dedicated to making a positive impact on the environment through effective outreach and engagement strategies. Through the HEAL Act, the Pacific Islander Health Board of Washington will collaborate with the Washington State Department of Health to provide educational platforms and opportunities for the community to learn about the environmental impacts they are experiencing, prepare them for what to expect in the future, and leverage that education into action.

**Responsibilities:**

- Develop and implement outreach programs to raise awareness about environmental issues, sustainability practices, and conservation efforts.
- Collaborate with local organizations, schools, businesses, and community groups to foster partnerships and coordinate outreach activities.
- Organize and facilitate workshops, events, and educational sessions to promote environmental responsibility and behavior change.
- Create engaging content for social media, newsletters, and websites to educate and inspire the community.
- Research environmental trends, policies, and best practices to inform outreach strategies.
- Evaluate the effectiveness of outreach initiatives through data analysis and community feedback.
- Advocate for environmental policies and initiatives that align with our organization's mission and goals.

**Qualifications:**

Proven experience in community outreach, community organizing, or related fields.

Strong communication skills with the ability to effectively engage diverse island communities.

Excellent organizational skills and attention to detail.

Ability to work independently and collaboratively in a team-oriented environment.

Passion for climate conservation and sustainability. Valid Washington State driver's license.

**Join us in making a difference!**

If you are passionate about environmental conservation and can inspire others to take action, we encourage you to apply for the Environmental Outreach Coordinator position. Help us build a more sustainable future for our community and beyond.

**How to Apply:**

Please submit a resume and cover letter outlining your qualifications and interest in the position to [ej@pihealthboard.org](mailto:ej@pihealthboard.org). Applications will be reviewed on a rolling basis until 8/15/2024.
